# About HRL Cargo

HRL Cargo has been a leading logistics provider in India for over 20 years. Our team shares decades of experience, resulting in a strong national presence and hyperlocal market penetration.

We pride ourselves on our customer service excellence focus, ensuring reliable and efficient delivery solutions for every client.

## An Integrated Logistics Partner

As a contributor to the national logistics, HRL Cargo plays a vital role in the Indian economy. We have consistently grown by addressing the challenges posed by the evolving industrial structure in India, and by developing various approaches to meet the diverse needs of our clients.

» 1993

# Our Management

At HRL Cargo, we are pioneering customized logistics services. Our team pushes boundaries with dynamic technology such as WhatsApp features, customer portal, and e-waybill solutions to meet your unique needs. Trust us for integrated logistics solutions.

**Rajesh Panjwani:** Rajesh Panjwani is at the helm of many emerging and established enterprises. His experience with HORECA (Hotels, Restaurants & Cafe) and Travel & Tourism has given him a sharp business acumen. And yet, the bulk of his experience in the core Logistics sector has given him a deep understanding of resolving complex issues, strategic planning, operations management, and philanthropy.

**Ashok Kalra:** With 25 years of experience in logistics, Ashok Kalra has built his way up from the grassroots and gained extensive knowledge of Indian and BRO movements. He has formed strategic alliances within the government, supporting HRL Logistics' tactical operations.

**Salim Uddin:** Salim Uddin is a seasoned logistician having extensive experience in challenging environments. He started his professional journey as a Logistics Operations Executive and powered up the corporate ladder, establishing himself as the Head of Operations at HRL Cargo. He excels in implementing efficient processes, driving operational excellence, and developing his team's skills at HRL Cargo.

**STANDARD**

## ***HRL Cargo's*** **Vision**

At HRL Cargo, our vision is to empower businesses by providing fast and efficient deliveries, leading the industry with innovative logistics solutions, and enabling cost savings on inventory management. We strive to be the trusted partner for businesses, supporting their growth through reliable logistics support.

## **Mission**

At HRL Cargo, our mission is to be the premier logistics provider in India, delivering exceptional customer service and innovative solutions that meet the evolving needs of our clients. We strive for operational excellence and maintain a strong focus on safety, sustainability, and social responsibility. With a dedicated team and commitment to continuous improvement, we aim to be the logistics partner of choice for businesses of all sizes.

# Why Choose HRL Cargo?

- **Fast Delivery**

Our presence in key markets ensures on time delivery, every time. Competitive rates are one of our USPs and we strive to uphold the best logistics service you can find nationally.

- **Customer Focused ERP Technology using Whatsapp**

With our simple tracking process, we are able to integrate cargo updates on Whatsapp and website 24/7.

- **Get instant updates on the exact location on your moving Cargo**

- **Additional Support**

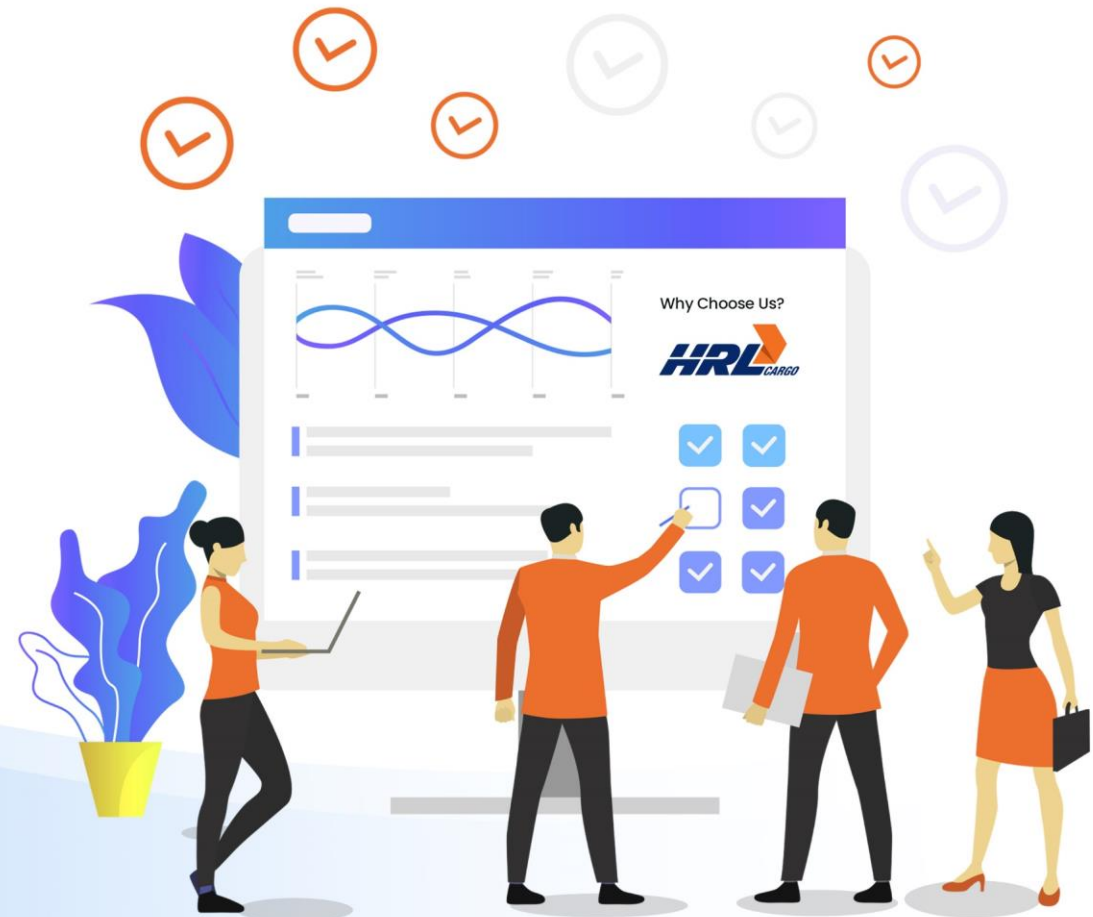

Heavy cargo, partial load, parcels, we take care of everything for you.

- **Hyper Local Penetration**

Owing to our knowledge of India's small cities as well as metros, we are able to deliver effortlessly and errorlessly everytime.

- **24 hours delivery Bhopal - Delhi, Delhi - Bhopal**

- **E-Way bill and GST integration directly into the invoicing system**

## Our Services

### Express Cargo:

Express cargo services ensure fast and efficient transportation of urgent or time-sensitive shipments. With a focus on reliability and customer satisfaction, we provide tracking and timely updates for your cargo providing added peace of mind.

### Road Transport:

With a modern fleet of vehicles and experienced drivers, we ensure safe and efficient transportation of goods, supported by real-time tracking and customized delivery solutions to meet customer requirement

### FTL:

We provide Full Truck Load (FTL) shipping services to our customers as a part of their transportation solutions. We arrange for the pickup and delivery of the shipment, coordinate with carriers and drivers, and provide shipment tracking and updates to the customers. This is a fully customized FTL solution to meet the unique needs of each customer.

### PTL:

We offer Partial Truck Load (PTL) services to our customers as a part of their transportation solutions. These services include managing the shipment, arranging for pickup and delivery, coordinating with carriers, and providing shipment tracking and updates to the customers. By offering PTL shipping, we can provide the customers with a flexible and efficient option for moving partial loads at a lower cost compared to a full truckload.

## Our Clients

As an experienced supply chain expert, we ensure the safety and efficiency of our clients' supply chains by analyzing and thoroughly understanding their processes

## Technology used in HRL

- **E-Way Bill API:** HRL Cargo uses encryption, authentication and real time tracking to manage e-way bills for the transportation of goods
- **Wati via Whatsapp:** HRL Cargo utilizes Wati, an API integration with Whatsapp, to offer efficient messaging and chatbot services to their customers, enhancing communication responsiveness.
- **E Invoicing:** HRL Cargo uses E-invoicing technology to automate their invoicing process, reducing errors and improving exchange with customers and suppliers.
- **Dedicated Customer Portal:** HRL has a dedicated customer portal that utilizes advanced technology to provide customers with easy access to their account information and order history.
- **Real Time Customer Docket Tracking:** HRL's real- time customer docket tracking system employs advanced technology to provide customers with instant updates on their consignments location and status.
